Edmonton, 1196149.

OTTAWA,

20th July, 1928.

Sir,-

¼ ... Sec. 36 Tp. 61 Rge. 24 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

S.S.B. FILE #3-1153.

Ottawa - September 26th, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Matthew Sneddon, #166422.
S.E.¼ 4-22-7-W.4th M. - Hd.
L.E.¼ 4-22-7-W.4th M. - S.G.

The above named settler secured advances from the Board for Permanent Improvements and Stock and Equipment, totalling $3150., the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Sneddon, requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Sneddon states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler, dated 19th July, 1924, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921,(P.C.1321), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of his Majesty in the E.½ of 4-22-7-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

Sir,-

¼ Sec. 20 Tp. 57 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you a homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain previously advanced and taken under the authority of this letter will be subject to such indebtedness.

OTTAWA, September 11th, 1928

Sir,-

S.E. 4 Sec. 13 Tp. 108 Rge. 14 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Indenture Vol. 1893

Act 1892.

North Vermilion, Alta., Nov. 25, 1912.

Sir,-

I have the honour to enclose herewith 2 declarations made by Sheridan Lawrence, Esq. A short history of the family will probably lead to a better understanding of the claims set forth by Mr. Lawrence.

Mr. Lawrence's father the late E.H. Lawrence came with his family in 1886 from Elevna, Ont. coming from Calgary to here with oxen. The family settled here on sec. 10-108-14-5 in that year. As the sons grew up they each took up land for themselves through they pooled their interests, all working together. When the treaty commission appeared in 1899, Mr. Lawrence, Senior, made a request for a free grant one mile square where he was located. Mr. Sheridan Lawrence and Mr. John Lawrence requested a similar amount on each side of their father. Another son, James Lawrence located at Prairie Point and another, Isaac, at sec. 18-107-15-5. Declarations for one mile square were also made to the Commission for each of these brothers. The Commission promised that all land occupied would be granted. Three years before the death of Mr. Lawrence, Sr. Mr. Sheridan Lawrence purchased the [illegible] interest in all that of his brothers in the business. He paid $2500. for each of the interests and [illegible] his father.

Mr. S. Lawrence possesses deeds from each of these for their properties and [illegible] as set forth in his declarations.

I am enclosing [illegible] photographs. These will show some but not all of his buildings and some of his productions. These were taken by Mr. Lawrence. I have also taken some both here and at Prairie Point.

With regard to the improvements. His buildings are good, being mostly frame with shingle roof. They are given in detail in his declaration. His breaking here amounts to 250 acres and this is usually in crop every year. His cattle and hogs are the best in the country being looked after with some degree of care. He can supply the residents with flour or chop and grind for them and also with lumber.

He uses Prairie Point and N.½ sec. 16 and S.½ of sec. 19 in Tp. 107-15-5 as a place to winter his stock.

The latter place he claims as the free grant promised to his brother Isaac. The improvements on it are not extensive owing as before stated, to the fact that, as the interests were pooled together, most of the improvements were made on the place occupied by Mr. E.H. Lawrence, the head of the family. In addition to the improvements stated in the declarations, the family have put out the wagon trails from North Vermilion to Prairie Point about 25 miles. This is now a good trail in [illegible].

There are no improvements on the S.½ of sec. 9, 108-14-5 except a brush fence.

I have given you such information as was placed at my disposal by Mr. Lawrence and trust that you will find it sufficient for your requirements.

Ottawa 17th [illegible], 1916.

Sir,

I have the honour to acknowledge your communication [illegible] requesting the application of Mr. Gerion Lorrence for [illegible] to report as follows:

[illegible] to Lots 1 and 2, [illegible] 1, Part [illegible] settlement, [illegible] plan of the [illegible] settlement on file in this [illegible]. R. J. Lorrence [illegible] in July, 1913, [illegible] before the [illegible] Commissioner, claiming as a free grant [illegible] Lots 1 and 2, [illegible] 1, together with Lot 1 and 2, [illegible] 2. In this connection I would point out that under the provisions of [illegible] only two quarters of a Dominion Lands Act, 1908, [illegible] can be given as a free grant to one applicant. Under the provisions of this section, Mr. J. Lorrence would have become entitled to a free grant of Lot 1 [illegible] upon which the house is shown on the said plan to be located.

It has been represented by Mr. Gerion Lorrence, the present claimant, that Mr. J. Lorrence has really lived on this parcel until the spring of 1909 and thereby after Mr. Mr. J. Lorrence, in July, 1913, made a quarter's declaration respecting said Lots 1 and 2, [illegible] 1 and 2, and Lot 3, [illegible] 2, of the said settlement, and [illegible] for homestead entry thereto.

Mr. J. Lorrence, it is represented, sold the [illegible] to Mr. [illegible] in June, 1907, and Mr. Gerion [illegible] built a half interest from him. Neither the said half interest is left to the people [illegible] and Lot 3 [illegible] and I am rolling his interest to the same [illegible] of Gerion Lorrence are their tenure. The [illegible] to have [illegible] from the [illegible] [illegible] and [illegible] have [illegible] and [illegible] Lot 3.

[illegible] of Mr. J. Lorrence a free grant, it will [illegible] in view of satisfaction of the [illegible] but [illegible] relinquished in favour of J. Lorrence. [illegible] in connection at the time of survey, and transfers from the latter to Gerion Lorrence [illegible] the various [illegible] as indicated above, would also have to be furnished. The [illegible] of patent to the extent of [illegible] containing [illegible]

I have the honour to be, Sir,

Your obedient servant,

[illegible]

The Secretary of the Interior.

free grant to Meridan Lawrence of said Lot 1, Range 1, and permitting him to purchase Lot 2, Range 1, could then be considered. I would point out in this connection that Mr. T.A. Lawrence made homestead entry for said Lot 5, Range 5, the same having subsequently been cancelled.

With reference to the application by Meridan Lawrence for the parcel on the regular survey adjoining said Lots 1 and 2, Range 1, I may say that this, presumably, refers to the fractional S.E. ¼ of Section 24, Township 10W, Range 11, West of the Fifth Meridian, containing 111.10 acres. Mr. Lawrence should, however, be asked to definitely describe the land and on what grounds he claims the same.

In reference to the claim of the S.½ of Section 10 (320.7 acres), the S.½ of Section 9 (320 acres) Township 13, Range 14, West of the Fifth Meridian, respecting which Mr. Lawrence made declaration at the time of Treaty and of survey, I may say that he would be entitled, under said Section 76, to an area not exceeding 160 acres and he should specify which parcel of that area he desires as a free grant upon the possibility of permitting him to purchase the balance be able might be considered, although I am of the opinion that in any event an Order in Council will be necessary to authorize the same. He does not appear to have made homestead entry for any of these lands. The Homestead Inspector, in his report of the 4th September, 1915, File 256765, sets forth in detail the improvements on the respective quarters of the lands above referred to, the value of the improvements on the N.½ of Section 10 being $720, on the S.½ of Section 10 - $400, the S.E. of Section 9 - $50, fencing (used for pasture), the S.½ of Section 9 - no improvements (used for pasture).

With reference to Mr. Lawrence's claim to the S.½ of Section 10 (320.7 acres), the S.E. ¼ of Section 11 (27.4 acres), the S.½ of Section 15 (160 acres), and the S.½ of Section 14 (320.2 acres) of Township 13, Range 14, West of the Fifth Meridian, through purchase of his father's rights thereto, claimed by reason of the latter at the time of Treaty, I may say that in this case, as in those above referred to, his father would have been entitled to one quarter section only as a free grant, and with reference to Mr. Lawrence's claim as a squatter before survey, he could only by virtue thereof claim one quarter section under homestead entry and he, as will be noted, claims homestead right for many parcels of land. In this case also, it would be necessary for letters of administration or letters probate of the father's estate to be filed here and evidence to be furnished of the transfer to him of the rights of all the heirs.

The Homestead Inspector, also reporting respecting these lands, refers to the same as having thereon improvements of.....

of the following values; [illegible] of section 10 - [illegible], [illegible] of section 10 - [illegible], [illegible] of section 11 - [illegible], [illegible] of section 13 - [illegible], [illegible] of section 14 - [illegible], [illegible] of section 14 - no improvements (used as pasture).

I would point out in this connection that it would not appear in any event that the said S.E. of section 11 could be [illegible] to Mr. Lawrence, the same being mineral lands.

[illegible] of section 14 (186.2 acres), the [illegible] of section 22 (160.6 acres), the [illegible] of section 15 (160 acres) of township 137, range 14, out of the fifth meridian, claimed to have been acquired through his brother, John Lawrence. The same action would be required as set forth respecting the lands claimed through his father. The improvements on these lands have been valued by the Forestal Inspector as follows; [illegible] of section 14 - $50, [illegible] of section 14 and [illegible] of section 22 - need no buildings. No report has been received respecting the [illegible] of section 22.

[illegible] to Mr. Lawrence's claim to section 15 (160 acres) and the [illegible] of section 15 (146.6 acres) of township 137, range 14, out of the fifth meridian, claimed by virtue of occupation at the time of Treaty by his brother, [illegible] Lawrence, I would point out that according to the Forestal Inspector's report, Mr. Lawrence has on the N.E. of section 15 and the [illegible] of section 15 a log house of the value of $25, and cattle sheds for winter use of the value of $75. The Inspector represents that Mr. Lawrence had been cutting hay of this land since 1920, cutting the hay therefrom and that since 1920 he has been cutting hay on the land and feeding some of his cattle there during the summer months. The Inspector added in this connection that Mr. Lawrence had been keeping a great number of cattle and horses and in order to do so, required a large tract of land as hay was not plentiful in the district.

Respecting Mr. Lawrence's claim to the last-mentioned lands and the S.E. of section 4 (157.2 acres), all of section 5 (647.7 acres) and the [illegible] of section 8, east of Lesser River, (18.4 acres), claimed by occupation of his brother, James Lawrence, at the time of Treaty, I beg to say that the same action as above outlined appears to have been taken, viz., that he will require to have filed here the different transfers of land from the brothers when the question of authorizing a grant to them by Order in Council through virtue of the brothers occupation at the date only in each case, and submitting also to whether the claims might be considered.

The Forestal Inspector, respecting these lands, reports on section 4 : Improvements of the value of [illegible], on section 5, improvements of the value of $150, and on section 8, improvements of the value of $250.

Sir,

by an officer of the department.

In response to your claim to the E. of section 11 (160.0 acres), the E. of section 11 (160.0 acres), the E. of section 13 (160.0 acres), and the E. of section 14 (160.0 acres), all of township 19, range 14, west of the fifth principal, through evidence of your father's rights thereto claimed by occupancy of the latter at the time of treaty, I may say that in this case, as in those above referred to, your father would have been entitled to one quarter section (160 acres only) as a free grant, and with reference to your claim as a squatter before survey, I would point out that we could only by virtue thereof claim one quarter section after homestead entry and it is noted that you have claimed upwards of eight different tracts of land. In this case also it will be necessary for you to have filed in the Department letters of administration of letters patent of your father's estate and the evidence to be furnished of the transfer to you of the rights of all the heirs. Upon these requirements being satisfactorily complied with, the application will be given further consideration.

With reference to your application respecting the E. of section 11 (160.0 acres), the E. of section 13 (160.0 acres), the E. of section 14 (160.0 acres) of township 19, range 14, west of the fifth meridian, which lands you state to have acquired through your father, Mr. John Lawrence, I may say that the same action will be required in this instance as in the case above mentioned respecting your claim to lands acquired through your late father.

Similar action will also be required respecting your claims to section 11 (160 acres), the E. of section 11 (160.0 acres) of township 19, range 13, west of the fifth meridian, claimed by virtue of occupation at the time of treaty by your brother, Mr. C.L. Lawrence, and your claim to the E. of section 4 (160.0 acres), being the E. of section 4, township 19, range 14, west of the fifth meridian, claimed by virtue of occupation at the time of treaty by your father, Mr. John Lawrence.

Your obedient servant,

Commissioner

Memorandum;

I have to return herewith your reference No. 3[illegible] relating to the claims of Mr. Meridan Lawrence to various parcels of land, and to report as follows;

Lots 1 and 2, Ranges 1 and 2, Fort Vermilion Settlement, and the adjoining S.E.¼ of Section 24, Township 10[illegible], Range 1[illegible], West of the Fifth Meridian, containing together 494.3 acres;-

Mr. Meridan Lawrence's claim to these lands is based on that of his late uncle, Mr. Erastus J. Lawrence, who claimed the same before the Treaty Commissioner and lived with his family thereon until the spring of 1[illegible]7, being killed shortly after and leaving no will or transfer in writing. His son, Mr. [illegible]. Lawrence, in July 1[illegible], made a squatter's declaration respecting said Lots 1 and 2, Ranges 1 and 2, and Lot [illegible], Range [illegible] of the said Settlement, applying for homestead entry therefor. This homestead entry for said Lot 5 was subsequently cancelled.

Mr. F. A. Lawrence, it is represented, sold the property to Mr. [illegible]. Brick in June, 1[illegible]07, and Mr. Meridan Lawrence, the present applicant, bought a half interest from Brick, selling the same in 1[illegible]11 to the Peace River Trading and Land Company, Limited, and Brick selling his interest to the same Company, of which Meridan Lawrence was then Manager. The latter claims to have bought the whole property from the Peace River Trading and Land Company but to have occupied and cropped the same since 1[illegible]7.

Letters of administration of the estate of the late E. J. Lawrence in favour of the Western Trust Company have been filed and I am to recommend that issue. Further I am to advise that if satisfactory to you, the necessary authority of Council will be asked to authorize a free grant to the estate of the [illegible] acres of the lands now [illegible] the estate will be permitted to purchase the balance of 134.3 acres at the rate of $[illegible] per acre. It may be pointed out in this connection that under the provisions.....

[illegible]. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

provisions of Sub-section "C" of Section 7[illegible] of the Dominion Lands Act 1[illegible]0 acres only may be given as a free grant and it would appear in view of the valuable improvements on these lands and certain other lands claimed by Mr. Lawrence that $3.00 an acre only, the minimum rate prescribed by the Dominion Lands Act, should be charged.

With reference to the claim of Mr. Lawrence to the W½ of Section 10 (280.7 acres) and the E.½ of Section 9 (320 acres) of Township 10[illegible], Range 14, West of the Fifth Meridian, respecting which he executed the customary statutory declaration before the Treaty Commissioners, I would recommend that Messrs. Phimester & Dundon be advised that the authority of Council will be asked sanctioning a free grant to him of 160 acres and that he may purchase the remaining area, comprising 440.7 acres, at the rate of $3.00 an acre.

Mr. Lawrence, however, has claimed homestead right to various parcels of land and provided he is eligible he might be permitted to make homestead entry for one of the quarter sections comprising the said W.½ of Section 10 or the E.½ of Section 9, he having been in occupation prior to survey.

The Homestead Inspector in his report of the 4th September, 1915, file No. 2[illegible]7626, sets forth in detail the improvements on the respective quarter sections, the value of the improvements on the N.W.¼ of Section 10 being $1720, on the S.W.¼ of Section 10- $420, on the N.E.¼ of Section 9 - $50, fencing (used for pasture), the S.E.¼ of Section 9, no improvements (used for pasture).

Respecting the E.½ of Section 10 and the N.W.¼ of Section 11, the S.E.¼ of Section 1[illegible] and the W.½ of Section 14 of Township 10[illegible], Range 14, West of the Fifth Meridian, claimed by the purchase of the right thereto of his late father, Mr. W.W. Lawrence, I may say that the deceased would appear to have established his right to 1[illegible]0 acres of these lands as a free grant and am of the opinion that Messrs. Phimester & Dundon might be advised that the authority of Council will be asked sanctioning a free grant to the estate of 1[illegible]0 acres and the estate may be permitted to purchase the remaining area of 477.1 acres at the rate of $3.00 an acre.

A notarial copy of letters probate of the estate.....

estate has been furnished, administration thereof having been granted to John Lawrence and he having filed here power of attorney from himself to Sheridan Lawrence.

Messrs. Phimester & Dundon have represented, however, that John Lawrence is deceased.

The original of the letters probate or a copy thereof duly certified by the proper officer of the court within which the land is situate will require to be furnished.

The area of 477.1 acres above referred to does not include the said fractional N.W.¼ of Section 11, which is school lands and consequently not available.

The Inspector's report as to the improvements on these lands is as follows; N.E.¼ of Section 10- $7000, S.E.¼ of Section 10 - $420. N.W.¼ of Section 11- $240, S.E.¼ of Section 15 - $400, S.W.¼ of Section 14- $580, N.E.¼ of Section 14, no improvements (used as pasture).

Respecting Mr. Lawrence's claim to the E.½ of Section 14, (126.2 acres), the S.E.¼ of Section 23 (150.6 acres), and the N.E.¼ of Section 22 (160 acres) of said Township 10[illegible], Range 14 West of the Fifth Meridian, claimed to have been acquired through his brother, John Lawrence, presumably since deceased, it would be necessary for letters of administration or letters probate of the estate to be furnished when it would appear a free grant of 160 acres might be made provided the necessary authority of Council is obtained and the balance of 276.[illegible] acres might be sold at the rate of $3.00 an acre.

It may be pointed out, however, that there has been filed here a document purporting to have transferred the rights of John Lawrence in these lands to the present applicant. Such document cannot, however, be regarded as satisfactory. The improvements on these lands have been valued by the Inspector as follows; The S.E.¼ of Section 14 $[illegible]0, N.E.¼ of Section 14 and S.E.¼ of Section 23 used as hay lands. No report has been received respecting the N.E.¼ of Section 22.

Regarding Mr. Lawrence's claim to Section 1[illegible] (523 acres) and the N.W.¼ of Section 1[illegible] (13[illegible].6 acres) of Township 107, Range 1[illegible], West of the Fifth Meridian, claimed through his deceased brother, Mr. I. [illegible].Lawrence, I would point out that in his declaration before Dominion Lands Surveyor Galletly in November, 1912, file [illegible]7[illegible] Mr. Lawrence claimed only the N.½ of Section 1[illegible], (2[illegible].5 acres) and the E.½ of Section 1[illegible] (158.4 acres) and in January, 191[illegible], Mr. [illegible]. Lawrence executed a statutory declaration.....

declaration respecting the S.E.¼ of Section 18, setting forth that he had been in residence on the date of the conclusion of the Indian Treaty and erected building presumably on the said quarter section but upon the survey lines being run, such improvements were found to be adjoining quarter section belonging to his brother.

It will be observed in this connection that Messrs, Phimester & Dundon apply only for the S.E.¼ of said Section 18 through the late I.G. Lawrence and, under the circumstances, I beg to recommend that the authority of Council be asked sanctioning a grant of the S.½ of Section 19, containing as set forth above 1[illegible].4 acres, to the estate of the late I.G. Lawrence.

The Inspector stated that Mr. Lawrence has on the N.½ of Section 18 and the S.½ of Section 19 a log house of the value of $35 and cattle sheds for winter use of the value of $75.

A copy of letters probate of the estate has been filed. It will, however, be necessary for the original or a properly certified copy to be furnished.

With reference to Mr. Lawrence's claim to the N.½ of Section 4 (307.2 acres), the whole of Section 5 (527.7 acres) and the N.E.¼ of Section 6, east of Peace River (16[illegible].4 acres) of Township 107, Range 15, West of the Fifth Meridian, through the right thereto of Mr. Jas. Lawrence, I may point out that it will be necessary for Mr. Sheridan Lawrence in this instance to have filed here an assignment properly executed from Jas. Lawrence to himself of his rights and interest in the lands when the authority of Council may be asked to sanction a free grant to Sheridan Lawrence as assignee of 160 acres, and he may be permitted to purchase the balance containing [illegible]1.3 acres at the rate of $3.00 an acre.

It would appear that the most favourable consideration possible should be given Mr. Lawrence's claims as undoubtedly the family have been pioneers in the Northern Territories and in the event of the application being concluded on the basis above set forth, I consider that a statement should be obtained from Mr. Lawrence that the consideration given to his applications satisfies his claim in full.

Respectfully submitted,

Controller.

Sir,

With reference to your claim and the claims of various members of your family to certain lands in the Peace River District, I beg to say that it is desirable, in order that the matter may be brought to a conclusion, that letters of administration or letters probate of the estates of the late J.A. Lawrence, J.C. Lawrence and J.A. Lawrence be filed here.

I would, therefore, request you to be good enough to take the necessary action in this regard and may say that upon receipt of the required letters of administration or letters probate, or copies thereof duly certified by the proper officers of the court for the district in which the lands claimed by the respective estates are situate, the necessary further action for the completion of the work entailed in connection with the various claims will at once be taken.

Your obedient servant,

DEPARTMENT OF THE INTERIOR.

Ottawa, 17th January, 1917

To His Excellency

The Governor General in Council.

The undersigned has the honour to report that application has been made by Mr. James Lawrence of Fort Vermilion, in the Province of Alberta, to acquire title to 661.3 acres of land comprised in that portion of the N.E.¼ of Section 6 lying east of the river and those portions of the W.½ of Section 4 and the whole of Section 5, lying north of the river, all of Township 107, Range 15, West of the Fifth Meridian, in the Province of Alberta, by virtue of occupation of the lands at the date of the extinguishment of the Indian title thereto.

Evidence has been submitted showing the applicant to have been in actual occupation of the parcels in question at the date of the conclusion of Indian Treaty No. 8 in the summer of 1899 and to have made valuable improvements thereon which would, under the provisions of Section 76 of the Dominion Lands Act, entitle him to a free grant of 160 acres thereof.

DOMINION LANDS ADMINISTRATION

OTTAWA, September 11, 1928.

Sir,-

N.½ ¼ of Sec.13 Tp.108 Rge. 14 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.E. 4 Sec. 15 Tp. 67 Rge. 24 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be charged to such indebtedness.

Ottawa [illegible] 1914.

Sir,

Re Lot 19, Fitzgerald Settlement, Alberta.
(Formerly Smith Landing).
Area 1.13 acres.

A report has been received from the Department of Indian Affairs that the above mentioned lot is no longer required for the purposes of that department.

The Director of the Northwest Territories, to whom the matter has been referred, states that this Lot may become valuable for [illegible] purposes at a future date, that each year there are a number of Government parties going north who usually require service at this point, that men of the Northwest Territories employed on the portage between Fitzgerald and Fort Smith require accommodation at the former place and suggested that Lot 19 be reserved for Government purposes. It has been decided therefore to reserve Lot 19 for Government purposes.

[illegible] NORTHWEST TERRITORIES AND [illegible]

[illegible] and March, 19[illegible].

Sir,

Re: Lot 19, Fitzgerald Settlement, Alberta,
Area 1.13 acres.

The lot mentioned above was claimed by the Department of Indian Affairs in a statutory declaration dated the 21st September, 19[illegible], made by the Indian Agent before E.A.Heville, J.P., who made surveys at this point. The said Department owned buildings on this lot and were using it on the date mentioned.

In 19[illegible] the Department of Indian Affairs turned over the lot and buildings to the Northwest Territories and Yukon Branch of this Department which has used the land and occupied it up to the present and has erected thereon a cabin for the use of the wardens of Wood Buffalo Park travelling from the Park to Fort Smith, which cabin was required and painted not long ago.

This lot is still required by this Department for the purpose mentioned. It is considered that the said lot remains vested in the Dominion in accordance with the terms of Clause 12 of Section 16 of the Alberta Natural Resources Agreement and Section [illegible] of the Report of the Royal Commission on the Natural Resources of Alberta, was that this matter is taken care of in its recommendation in respect of townsites and other minor adjustments.

It is regretted that you were not fully advised in this connection at an earlier date, but you will observe that the matter is turned over to the Province after the transfer of the natural resources and this lot to be reserved for Government purposes [illegible] August, 19[illegible].

Will you kindly make the necessary entries in your records in accordance with the statements set forth above, until this Department at as early a date as possible that such action has been taken.

Yours very truly,

J.Lorne Turner, Director.
